POWERSCRUB™

VACUUM LINE CLEANER

Clean Better
Flow Better
Practice Better...

- SmartScrub Technology — Continuous cleaning action
- Microbial formulation optimizes collection container capacity
- Cleans vacuum line debris on contact
- Safe for the clinician, the patient and the environment — No harsh chemicals
- Releases microbial cleaning enzymes at any water temperature
- Meets all EPA “Dental Rule” requirements — Neutral pH between 6 and 8
- Compatible with both dry and wet ring vacuums
- Compatible with all amalgam separators

Risk Free Trial... if you are not completely satisfied, return for a full refund within 30 days of purchase.

PowerScrub is the only vacuum line cleaner recommended for NXT Hg5 Amalgam Separators
